

The Monarch Exit Sign Series are economical and energy saving exit signs. The injection molded plastic housing has soft rounded corners for aesthetic appeal. The L.E.D. lamps provide a maximum of energy savings potential and the battery pack allows the unit to be self-powered during power outages.

APPLICATION

Suitable for use in almost any commercial or light industrial application.

HOUSING

The housing is made of injection molded thermoplastic, making it impact resistant and corrosion proof. UL 94-5V rated.

MOUNTING

Easy snap fit canopy can be used for top or end mounting or knockouts can be used for surface mounting. Included second face allows the unit to be used as a single or double face exit sign. Snap fitting, replaceable chevrons for directional indication.

LAMPS

Long life Light Emitting Diode (LED) lamps provide the maximum in energy savings.

SIGN SERIES	OPERATION	LETTER COLOR	# OF FACES	SIGN COLOR
MON-X MONARCH EXIT SIGN	AC SP 90 MINUTE BACKUP	R RED G GREEN	ALL UNIVERSAL	W WHITE B BLACK

ELECTRICAL/BATTERY

- Dual voltage input 120/277 VAC, 60 Hz.
- Maintenance free, sealed nickel cadmium battery provides 90 minutes of emergency operation
- Low voltage disconnect of battery prevents deep discharge and maintains a good battery life.
- Fully automatic, solid state charger.
- Test switch with LED charge indicator / AC voltage indicator

WARRANTY

The Monarch Series comes from the factory with an unconditional five year warranty on the electronics. The battery comes with a 3-year full, 2-year pro-rata warranty.

AGENCY APPROVAL

U.L. 924 Listed for damp locations.
Life Safety NFPA 101.
